Dear Sir,

Re - Grant of site to the Karnataka Sangha for the construction of a building

With reference to your letter dated 16-12-1947, I enclose herewith 4 blue prints of the site plan Since the proposed building, besides meeting the needs of the Sangha, will also be available for public purposes, it would be ideal to locate the same in the centre, (instead of to one side) as the proposal of having a separate area exclusively for the park will be equally served by the large area lung space all round the building

The enclosures received with your letter under y your reference are herewith returned
